Since your attendance at New River Community College (NRCC) may depend on the financial aid available to you, we strongly recommend that you apply by filing the **Free Application for Federal Student Aid (FAFSA)** and turning in our **NRCC Financial Aid Application** as soon as possible. The FAFSA can be filed in two formats. The first is the paper FAFSA available in the Financial Aid Office. It takes approximately four to six weeks to process. The second and fastest option for filing the FAFSA is to use the Internet at [http://www.fafsa.ed.gov](http://www.fafsa.ed.gov). Processing takes approximately two to three weeks. **The Title IV School Code for NRCC is 005223.**

**Stafford Loans at NRCC:** First, words of caution, **only borrow if absolutely necessary.** To apply you must file the FAFSA and fill out the Federal Stafford Loan Master Promissory Application (loan applications can be picked up in the financial aid office). **You must be enrolled for at least six credits each term you wish to receive the loan.** The information from the FAFSA is required in order for NRCC to certify the school portion of the application.

**Please Note:** Stafford loan proceeds cannot be released until **30 days after the first day of the term to first-time, first-year undergraduate borrowers.** **Previous Stafford borrowers’** (non Bridge account students) proceeds cannot be released until one day after the add/drop period. In order to pick up your loan check you must present picture identification and sign a form before your check can be released.

In accordance with Federal regulation and the college’s loan default management plan, **Stafford Loan borrowers** are required to do the following before checks may be issued:

1. Visit the website [http://www.nr.edu/student/fa/howtoapply.htm](http://www.nr.edu/student/fa/howtoapply.htm)
2. Click on the Stafford Entrance Counseling Icon

**Complete steps one and two and submit the test after reviewing the content. Print the confirmation page.**

If the bridge account is used (in-state students only) to charge your tuition, fees, and books (first-time and previous borrowers), the student will endorse the check and pick up the remaining balance at the time designated by the Business Office **(approximately two to three days).**

All of the following items must be completed before financial aid, which may include grants and loans, can be processed:

- Admittance to NRCC and acceptance by the Admissions Office in an approved curriculum.
- Filing the Free Application for Federal Student Aid (FAFSA)
- Turn in the NRCC Student Financial Aid Application to the NRCC Office of Financial Aid (this form).
- Request a Stafford or PLUS Loan application from the Financial Aid Office (loan applicant only).

**Students attending two schools in the same enrollment period must inform both financial aid offices. Students cannot receive grants/loans at two schools in the same term.**
