

Statement of Understanding

Please read and initial each of the items listed on Page 2, and please sign and date where indicated.

	I understand that I must maintain satisfactory progress to continue receiving VA benefits.
	I hereby certify that I have not received credit for any course for which I am registered.
	I understand that VA will not award benefits for courses that are not accredited to my degree/program.
	I agree to report immediately any enrollment changes, including any class changes, withdrawal from school, withdrawal, and/or adds/drops from courses to the Veterans Office, NRCC, and failure to do so may result in termination of my VA benefits.
	It is my responsibility to notify the VA and the Veterans Officer at NRCC if I change my program of study, change my address, or take testing that will give me additional earned credits.
	If I am transferring from another school or have prior credits to submit for additional credit hours, I must submit all transcript and/or notice of prior credits before the end of my second semester at NRCC. I am aware that if this information is not on record, VA regulations allow payment for two (2) semesters only.
	I understand Monthly Housing Allowance (MHA) benefits are paid based on rate of pursuit.
	I understand that I must submit a Veteran/Dependent Registration Certification Form to the Veterans Services Office at NRCC at the beginning of every semester or when there is a change in enrollment status in any way: adding, dropping, or withdrawing.
	I understand that the VA will not pay out-of-state tuition. If I decided to opt out of establishing my domicile in Virginia, I am responsible for balance to be paid to NRCC.

I have read the information contained in this form, and I accept responsibility for repayment to New River Community College and/or VA if required. I understand the Statement of Understanding, and I acknowledge that the information I have provided here is correct.

I understand that I must submit a Veteran Registration Certification Form to the Veterans Services Office (224 Rooker Hall) at the beginning of each semester and after every action taken that affects my enrollment status: adding a class, dropping a class, and withdrawing from all classes.

Veteran/Dependent Signature _____ Date _____
